

NESTLED IN THE HIGH PEAKS REGION of the beautiful Adirondack Mountains and fronting on Route 73, the main route from I-87 into the historic village of Lake Placid, our property combines the best of all worlds. Easy to reach from I-87, we are just four miles outside the village area...close enough to everything of interest the area has to offer, yet far enough away from the noise and congestion to experience the Adirondacks at their very best. Open your drapes in the morning to the vista of Mt. Van Hoevenberg, home to the newly renovated luge and bob sled runs, as well as host to over 50 km of premium cross country ski trails. You can virtually ski or mountain bike right from our back door! Our farmhouse offers warmth and companionship if you're seeking a cozy retreat, not to mention a scrumptious country breakfast each morning of your stay. If you prefer more privacy, our cabins provide a quiet haven for rest and relaxation.
